## REPORT OVERVIEW

REPORT DATE

7/16/2026

DATE TESTED

7/15/2026

LABORATORY SAMPLE ID

005000040854648

STORAGE

R.T.

LABELED AS

GLP2-T

LABELED CONTENT

60 mg

VISUAL DESCRIPTION

Small clear vial: white sample, white label, silver crimp, dark blue plastic cap.

TESTING PURPOSE AND LIMITATIONS

FTIR and HPLC analysis for the identification, purity, potency and composition of a peptide product. It does not provide information on particulate matter, microbial contamination or presence of endotoxins.

## SELECTED TEST RESULTS

| TEST                                         | METHOD     | SPECIFICATION                                                                  | RESULT                                                                                      |
|----------------------------------------------|------------|--------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------|
| General Appearance                           | USP <630>  | white powder                                                                   | white powder                                                                                |
| Mass                                         | USP <41>   | As recorded                                                                    | 119.2 mg                                                                                    |
| FTIR Identification and Composition Analysis | USP <197A> | Sample spectrum should confirm the content of peptide via characteristic bands | FTIR sample spectrum confirms the presence of GLP2-T with addition of excipient(s)/fillers. |
| HPLC Purity of Peptide Assay                 | USP <621>  | Specifications: >= 98 %                                                        | 99.9 %                                                                                      |

SOURCE AND VERIFICATION

Testing was performed by BT Labs. Pure Lab Peptides prepared this branded summary from the original signed laboratory report. This summary is not issued or signed by BT Labs.

SUMMARY SCOPE

This summary presents selected source-report fields. Review the original source report through the QR code or verification link for the complete laboratory record.

RESULTS SCOPE

The results relate only to the tested sample and apply to the sample as received.
